

Illawarra Birders Outing Guidelines

We all like to discover new places to see birds. Members are highly encouraged to organise group outings. If you would like to do so, the following guidelines are worth considering.

- 1) The location should be an easily drivable distance to be able to start between 8 and 9 am, do the walk, and return home before dark. Within 1.5 hr driving distance of Wollongong should be used as a guide.
- 2) Any area of parkland, coast, suburban pathways, or bush, with easily negotiable walking terrain. A maximum walking distance of 5km should be used as a guide.
- 3) An outing involving walking is not necessary. Do you know of a spot where you can stay in one place and set-up spotting scopes? Great!
- 4) If you know of a longer route beyond the above guidelines, say a location further afield or a long walk where you know there are birds; detail is paramount. The distance, the terrain, how long it's likely to take etc. Possible participants, due our members variability in age and physical ability, need to know these details in order to make their decision whether or not to go. **If you have not been to the area for some time, memory can be deceptive. Do a reconnaissance beforehand so you are sure the details.**
- 5) As the organiser, you will need to give your mobile phone contact and **those who are going to attend should contact you beforehand.**
- 6) As the day approaches, consider any adverse conditions of weather, road conditions, lack of participants etc. and be prepared to cancel the event for whatever reason you feel necessary. **Let those who said they were going to attend know.**

We do strongly encourage all members to organise trips. You can do so as an individual or a small team of organisers. As the leader, it is paramount, though, that you consider the physical ability and safety of all who attend.

SEE THE FOLLOWING PAGE FOR A WALKS TEMPLATE

Template for Activities

The following is an example of an **Activities Template**. Copy, change the details and add your mobile phone number. Send the completed template to Andrew Wood (amwood1961@outlook.com) for inclusion on the Activities listings.

Wednesday 20th March 8am

Bott's Reserve & Bellambi Lagoon - Bellambi

Walk Leader: Belinda Baccarini - xxxx xxx xxx - please text if you plan to attend.

Walk Description: A short stroll along a beach track amongst the Casuarinas then along the bike path to Bellambi Lagoon.

An especially good event for new and inexperienced birders

Parking: Armour St Bellambi - park at Oval

Toilets/Water: 100m away at Bellambi Rock Pool

Terrain/Distance/Time/Shade/Seats: Sandy beach track then bike path. 4 km return. Approx 3 hours, some shade, some benches at Bellambi Lagoon

Bring: Water, hat, morning tea (carry)

Notes: Some of the walk is on the bike path so beware of bikes.
